## Public consultation on development proposals

### Feedback Form

We welcome all feedback from the local community and stakeholders on our emerging proposals and would be grateful if you could take a few minutes to answer the questions below.

We have been carefully considering all of the feedback previously provided to us following the initial drop-in information session that we held in December 2022. This has helped shape the proposals being presented for consultation now. For us to, once again, take on board your comments, we ask that you please return your feedback to us no later than **Tuesday 23 May 2023 (midnight)**. An online version of this form is also available on our website [www.balhamhill-homesforwandsworth.co.uk](http://www.balhamhill-homesforwandsworth.co.uk) if you prefer, where there is also an option to translate the questions into a language of your choice.
